As a result of the success and support of this event, we are pleased to announce that in the 2014-15 basketball season the Batesville Basketball Alumni started sponsoring the Batesville Basketball Alumni Award worth \$500.

Additionally, this event:

-  Assists the Batesville Basketball program in defraying costs associated with equipment, developmental camps and programs that fall outside of the school's athletic department budget.
 -  Helped to make a \$125 donation to the BHS Boosters and a \$100 donation to the BCEF.
 -  Held on the Friday of the Oldenburg Freudenfest to allow alumni an opportunity to gather afterwards.
