

Mr. David Bradshaw, after an illustrious career as an educator and coach, added one more feather to his cap Friday night when he earned his 500th victory as the Jac-Cen-Del baseball coach.

Coaching has been a rewarding experience. He said, "Being involved with the kids and the student athletes and seeing them not only grow as students but also as players (has been rewarding)." Through coaching, Bradshaw has learned and dispensed the values of hard work, determination, and fortitude.

Bradshaw has achieved many things as a coach and has won many games. From these experiences, he has an elaborate collection of memories that he cherishes. However, he believes all of his wins have been memorable. "I don't want to single out a particular game. Whenever JCD has been on the side of the win column it has been a joy and for me and the team," he said.

Even though he already has many accomplishments, Bradshaw still has hopes for the future of the program. "We just hope each game, we continue to improve as the year goes on and that we are very competitive not only in conference play as well as in sectional," he said. The Jac-Cen-Del baseball team, under the continued guidance of Coach Bradshaw, has a bright future.
