## SOME FACTS

## WE KNOW SEI

Southeastern Indiana is the area between Indianapolis and Cincinnati. We're proud to offer local news, weather, sports, and a variety of other informative and entertaining elements for an area often overlooked by these larger cities.

## THE STATISTICS

Radio continues to be the largest medium in the country, reaching 91% of ALL adults every week (more than TV, social media, smartphone apps, the Internet, and other mediums consumed). 75% of people are listening to radio while they work in their homes.
