## Why Play?

Giving Hearts a Hand continues its mission to help raise awareness of undetected heart conditions through funding cardiac screenings in area high school athletes and placement of AED's within area communities.

In fact, since GHH's establishment, nearly 2100 student athletes throughout Indiana have been able to have their hearts checked! GHH has also helped to fully fund assisted financially with placement of nearly 60 AED life saving devices in area schools, parks, organization facilities and other places of gathering.

\*It is with your continued support that we will be able to fund heart screenings and raise cardiac awareness in communities all over the state of Indiana!
